### 2020-2021 Verification Process Instructions

Your FAFSA has been selected for review in a process called “verification”. **Failure to respond with all required documents will result in the cancellation of all federal financial aid (grants and/or loans).** If there are differences between your FAFSA information and the verification documents, we will make the corrections.

#### What you must do now:

1. If you **and** your spouse or parent(s) if applicable did not successfully link your taxes using the IRS data retrieval then refer to the verification brochure for further instructions.
2. Complete and sign this 2020-2021 verification worksheet. If you are a dependent student, please make sure one of your parents also signs the worksheet.
3. Bring, fax, email or mail the completed worksheet and any other required documents to the address or fax number above.

#### Verification Process Deadlines

You must complete the verification process before your final eligibility for financial aid can be determined. **We strongly recommend all documents be submitted within 14 days of receipt of this verification notice.** If you do not complete the verification process, you forfeit federal student aid eligibility. If you do not plan on attending Mount Aloysius College for the 2020-2021 school year, please notify us so you will no longer receive requests from our office.

**Please follow the verification checklist to ensure that you are submitting all documentation that may be required.**
